As London prepares to host the greatest show on earth in 2012, businesses across the world are looking to capitalise on the new opportunities, and developments; and to simply be part of the action and excitement it will bring to our country.

Key Facts:

- This is the largest peace time logistical event in the world
- Circa 10,000 postcodes in Greater London will be affected by the games
- 25 venues located in Greater London will be used all day long until the late evening
- The Olympic Games start on 27 July and run until 12 August, the Paralympic Games open on 29 August and close on 9 September
- Penalty's will be put in place to ensure traffic contravention is controlled throughout the games
- 800,000 people are expected to visit the Olympics
- 2.6% of London roads will be used by the Olympic Route Network

If you have requirements for London deliveries during the Olympic period...**get in touch.**

We want to work with you to better understand each customer's requirements, make the most of opportunities that the games will present and ensure that we minimise disruption within the network.

"This affects the whole country not just London and is a huge opportunity to successfully manage both the expectation and delivery of services throughout this period."
